

Supplementary Tables

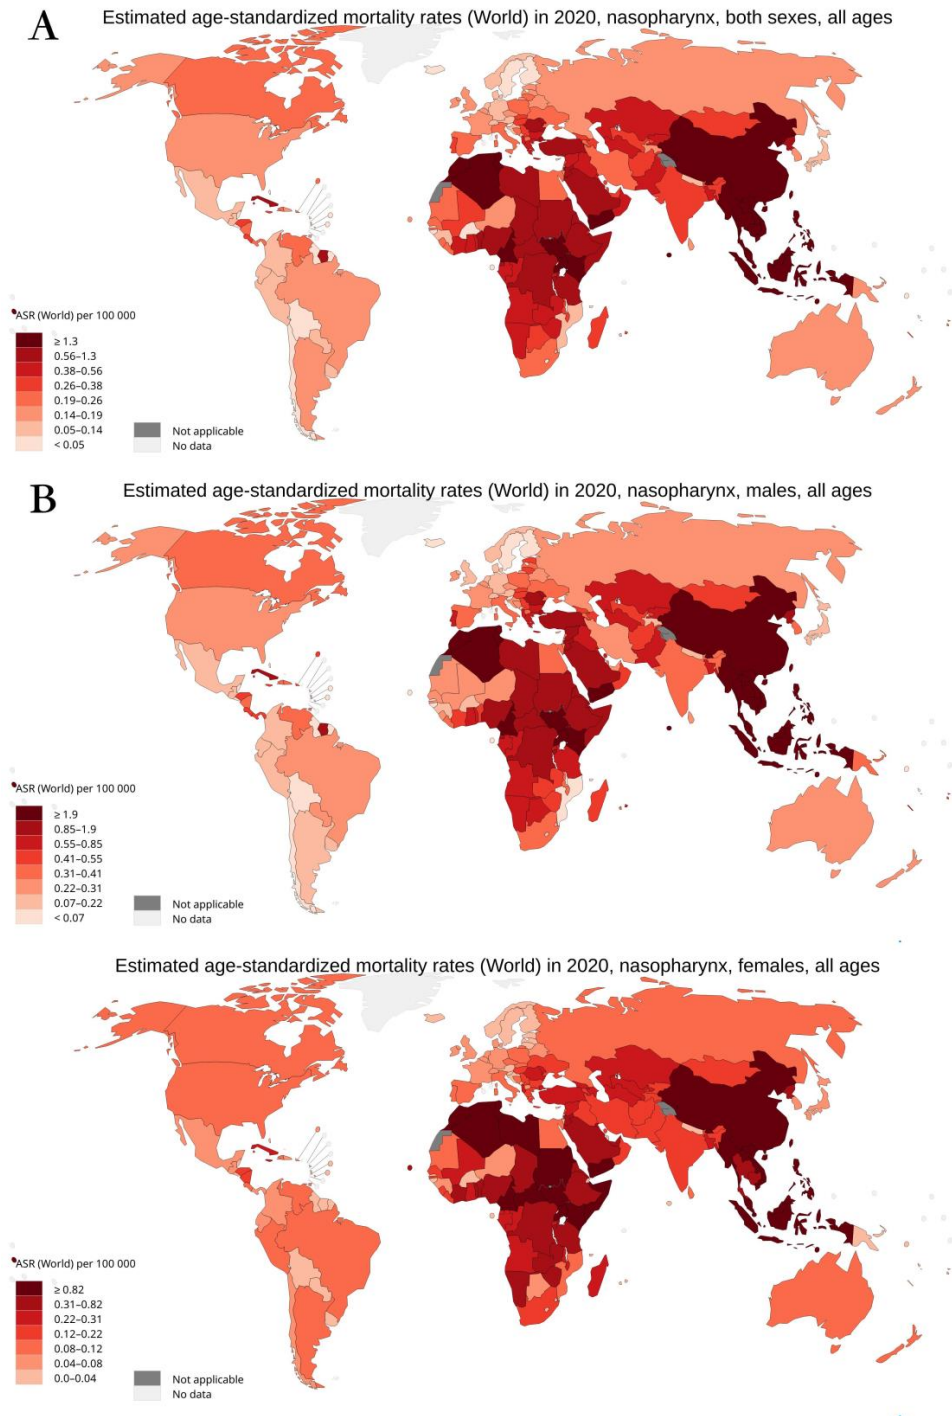

Figure S1: Heatmap of the Global Burden of Disease for ASDR by NPC in 2020 by Country and sex (A) both sex (B) male (C) female. ASDR = age standardized death rate.

Figure S2: Scatterplot of ASIR and ASDR versus HDI for NPC 2020 for each country, by continent (A) ASIR (B) ASDR. ASIR = age standardized incidence rate. ASDR = age standardized death rate.

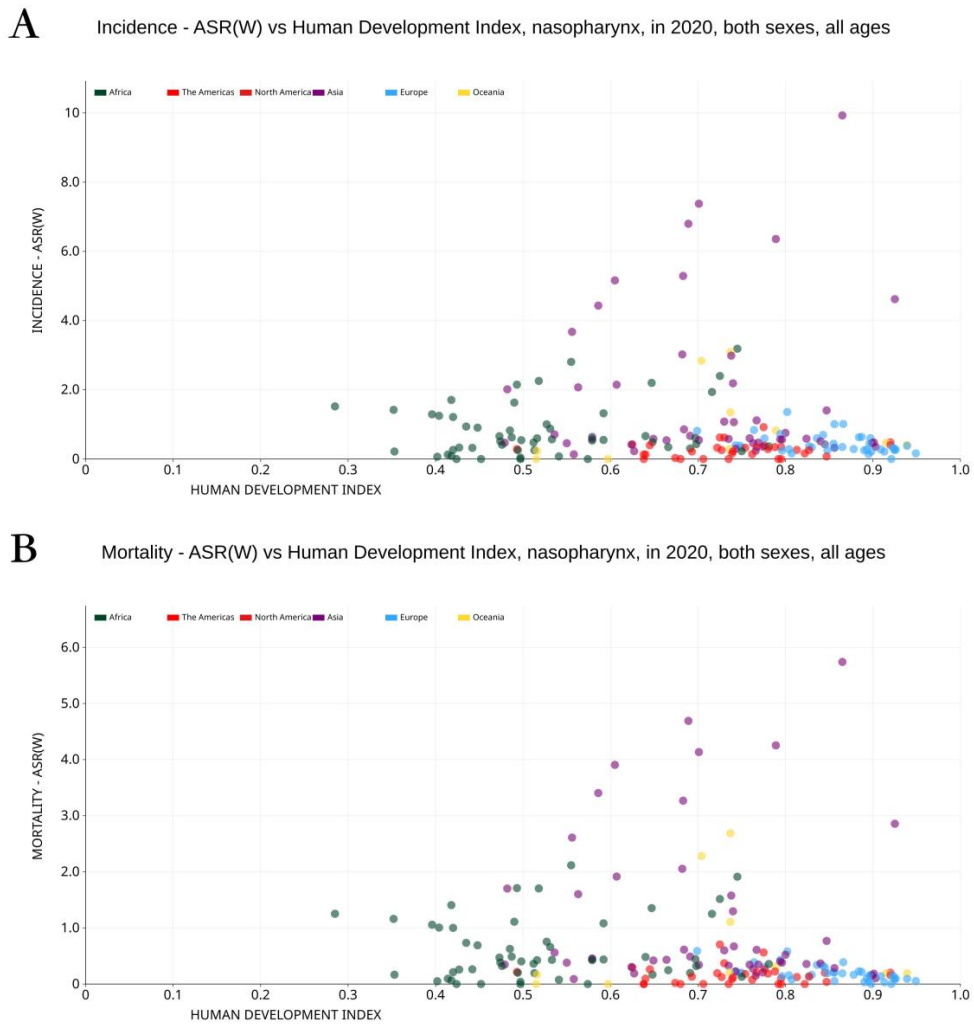

Figure S3: Projected disease burden of ASIR and ASDR in NPC by region globally in 2020 vs. 2040. (A) ASIR (B) ASDR ASIR = age standardized incidence rate. ASDR = age standardized death rate.

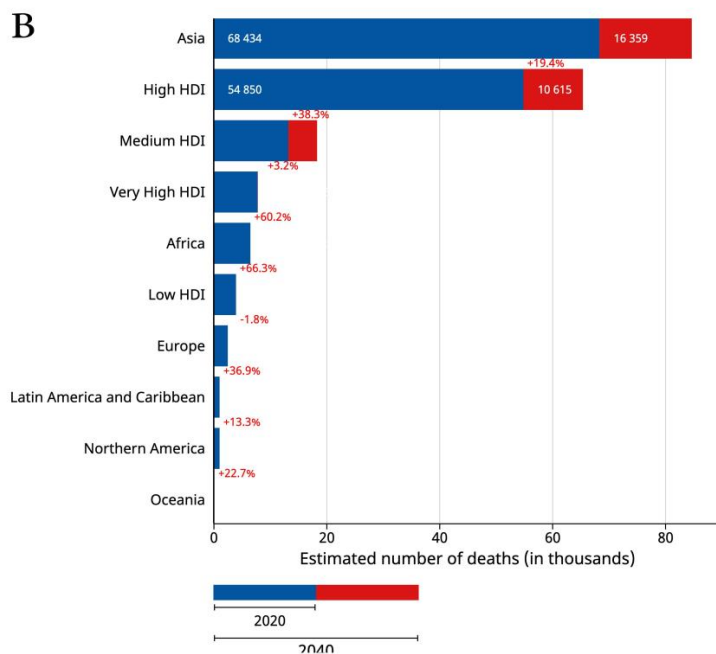

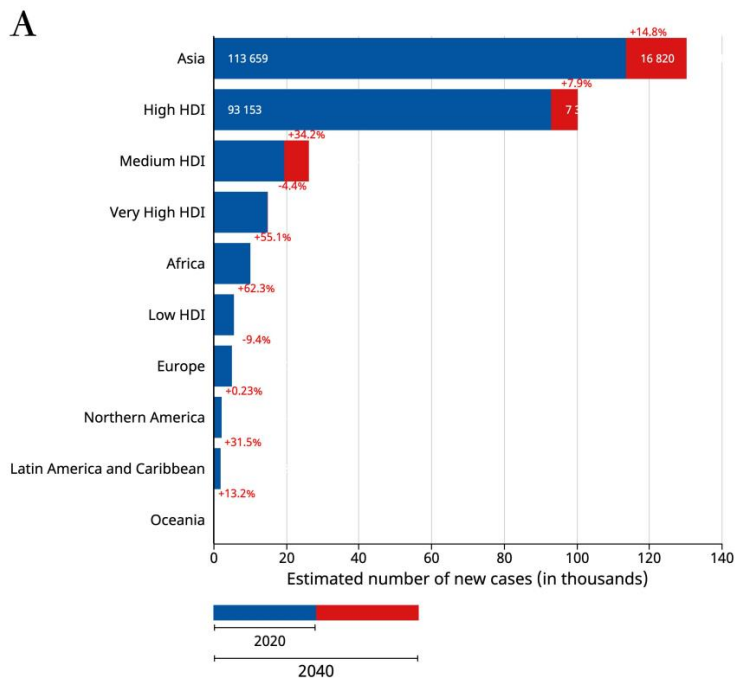

Figure S4. Projected global trends in the burden of disease for ASIR and ASDR in NPC by region from 2020 to 2040, by sex. (A) ASIR (B) ASDR ASIR = age standardized incidence rate. ASDR = age standardized death rate.
